This profile has been prepared by the Zimbabwe National Statistics Agency (ZIMSTAT) with the hope that the information it contains will meet the initial needs for statistical data of all those interested in Zimbabwe and its people.

What Statistics are available?

Statistics covering almost every field of economic, social activity and the environment are collected, analysed and disseminated by the Agency. These statistics are available in the form of publications, and in unpublished form. A wide range of Statistics are available on request in published form.
